

# ONLINE

## FOR DESKTOP & MOBILE WEBSITES

**ACCESSED VIA YOUR FULLY INTEGRATED, CUSTOMISED WEBSITE, ORDERS CAN BE PLACED AND PAID DIRECTLY FROM ANY WEB-ENABLED DEVICE.**

## FEATURES OF NOQU ONLINE

- Customisable design and responsive framework to match your restaurant's brand.
- Highly performant: Transaction processed with fewest clicks/pages possible.
- Feature rich: Save Favourite Orders, Loyalty, Promotions, Coupons, Social Media Integration, Multi-language and Multi-currency.
- Integrated intelligent payment gateways: Save Frequent Credit Card/Debit Card.
- GPS mapping and location technology for delivery and/or collection.
- Direct to kitchen ordering process.

## BENEFITS OF NOQU ONLINE

- Mobile-centric design means it looks great on any screen.
- Customers skip the queue from order to payment. They simply collect.
- Reduce in-store queue overflow and drop-out.
- Improve ordering accuracy and in-store phone-ins.
- Increased throughput by removing the order capture and payment in-store.
